Washington Immunization Summit

The Conference Center at Seattle-Tacoma International Airport

Mark your calendar for our first annual Washington State Immunization Summit! The goal of the summit is to enhance the effectiveness of health care professionals and systems to promote and deliver immunizations in Washington State.

Topics will include vaccine hesitancy, the use of data and systems to improve immunization rates, and reaching underserved populations.

Continuing education for this activity is pending. See final announcement for details.

Hosted by WithinReach and the Immunization Action Coalition of Washington with support from the Washington State Department of Health.
