

World Diabetes Day 2016 Community Leader Awards

Guidelines: Please submit a nomination for the categories below to Kelsey Stefanik-Guizlo (kstefanikguizlo@diabetes.org) by close of business on Wednesday, October 19. Include a brief description of why the person you are nominating fits the award criteria. This information will be included in the voting process. Once all of the nominations are received, Kelsey will create a poll and send it to diabetes community partners. One representative per organization may vote. Voting will close at noon on Friday, November 4.

Categories

- **Community Champion:** An outstanding volunteer or diabetes community partner staff who demonstrates a tireless commitment to raising awareness about diabetes and improving the lives of those affected by diabetes.
- **Outstanding Diabetes Health Care Provider:** A physician, nurse, pharmacist, CDE, psychologist, or other health care provider who has dedicated his/herself to helping people with diabetes live their best lives. The recipient should be a practicing health care professional who takes an active role in teaching and supporting patients.
- **Groundbreaking Diabetes Researcher:** A local researcher who is pushing to discover the next diabetes breakthrough.
- **Diabetes Personified:** A person living with diabetes who is setting an example of how to live well with the disease and educating the people around them about life with diabetes.
